## **CONSTRUCTION ACTIVITY HOURS**

### **NOTICE TO ALL BUILDING PERMIT RECIPIENTS**

Please be advised that the City of North Vancouver's Noise Control Bylaw permits construction activity to occur between the hours of:

<b>Monday to Friday</b>	<b>7:00AM to 8:00PM</b>
<b>Saturday</b>	<b>9:00 AM to 5:00 PM</b>
<b>Sunday &amp; Statutory Holidays*</b>	<b>PROHIBITED</b>

Construction activity includes but is not limited to: demolition, dismantling, excavation, construction of components & materials in any form, alteration, repair, maintenance, painting, laying of pipe, equipment installation & maintenance, fueling, clean up, delivery and removal of materials & equipment, warming up of equipment, arrival and departure of contractor & trades.

Fines will be applied to sites that are found to be in contravention.

Please note, construction activities such as large concrete pours, if you cannot complete the work within the Bylaw permitted hours, you must make an application in advance for an exemption to work outside the permitted hours. The process for making an exemption application is described in Part 4 of the Noise Control Bylaw.

If you have any questions regarding the Noise Control Bylaw, please call the Community Development Department at 604-982-WORK (9675). A copy of the Noise Control Bylaw is available from the City Clerk's Department at a cost of \$5.00 plus GST or online at [www.cnv.org](http://www.cnv.org).

**\*Statutory Holidays include: New Year's Day, Family Day, Good Friday, Easter Monday, Victoria Day, Canada Day, British Columbia Day, Labour Day, Thanksgiving Day, Remembrance Day, Christmas Day, Boxing Day and any other holiday prescribed by Provincial Legislation.**

## **Noise Control Construction Signs**

When a permit application is received for development, a Noise Control Construction Sign is to be posted for:

- All demolition permits
- All permits with a construction permit value exceeding \$50,000.

The permit holder is to ensure the sign is posted prior to start of development and maintained during the course of demolition and construction.

The sign must be separate, highly visible and not part of any other signage.

The Noise Control Construction Sign must:

- a) Be posted in a prominent location on the construction site that is clearly visible from all adjacent streets and lanes;
- b) Shall be no less than 4 ft by 4 ft in area;
- c) Contain lettering that is at least 2 inches high, and is in a colour that contrasts with the background of the sign;
- d) Display the street address of the construction site;
- e) Set out the hours permitted of construction under the Bylaw, and any exemptions to the construction hours which may have been granted;
- f) State the name of the general contractor for the construction, with the name and telephone number of an individual representative of that general contractor;
- g) Give a monitored 24 hour contractor telephone number for complaints and concerns,
- h) The City of North Vancouver telephone number 604-982-WORK (9675).
- i) Include the telephone number for emergency after-hours complaints and concerns, 604-988-2212.
