

news release

The Corporation of the City of North Vancouver
Corporate Services Department

Subject	City of North Vancouver Launches Facebook Page
Date	March 30, 2010

The City of North Vancouver has launched its **Facebook** page.

Community members are invited to become a 'fan' of the City's new **Facebook** page and encouraged to access information about the City's sustainability and climate action programs, council meetings, open houses, community events, news, job opportunities, as well as colourful photos and interesting videos.

The City continues to expand its offering of online communication vehicles to connect with residents and businesses. **Facebook** provides communication to those who prefer receiving information through social media. Adding **Facebook** to the City's communication offerings is part of its commitment to connect residents with City information and offer convenient online services as well as expand community outreach.

For quick access to the City's **Facebook** page, visit www.cnv.org

As well, the City of North Vancouver continues to expand its offering of website features and convenient online services. www.cnv.org has several applications to improve the way residents can access online information, conduct transactions and communicate with the City. The City plans to include informational video clips regarding sustainability, Climate Action and City programs to its website in the coming weeks.

The Sustainability section of the City website, www.cnv.org/Sustainability provides residents with a comprehensive look at the City's leadership and progress in the areas of Climate Action and sustainability:

- A '**Sustainable Corporate Practices**' page highlights the City's efforts to incorporate ongoing sustainable operational practices www.cnv.org/SustainableCorporatePractices
- A '**Climate Action**' page focuses on how the City and the local community can take action against climate change. www.cnv.org/ClimateAction

For information that is frequently accessed by residents, the City website offers:

- A '**Council Meetings**' page with comprehensive Council information, including details about schedules, agendas, minutes and opportunities for residents to appear and speak before Council. www.cnv.org/CouncilMeetings
- A convenient '**City Publications**' page provides easy access and downloadable versions of key City publications, including the Official Community Plan, Annual Municipal Report and various brochures. www.cnv.org/CityPublications
- '**Online Services**' include the option to purchase a business or dog licence online as well as paying parking tickets or bylaw notices <http://www.cnv.org/OnlineServices>

Free wireless access is available to the public in the City's Civic Plaza, allowing laptop users to easily connect to the internet while relaxing in the Civic Plaza during North Vancouver City Library hours.
