

Important Reminders

1. Please familiarize yourself with this guide as some things are new.
2. When in doubt, leave it out! Your building's blue carts may not be collected if they contain unacceptable materials.
3. Remove food residue before recycling your containers.
4. Remove garbage or wrong material (like plastic bags), from the carts and put it in the garbage.
5. Contact us to find out where you can pick up a **Multi-family Recycling Tote** (pictured to the right) for storing materials until you can take them to the carts (one per residence).

Contact Us: If you have any questions about your Blue Cart recycling program, call your building manager or strata or contact us directly at **604.984.9730, info@nsrp.bc.ca**, visit **northshorerecycling.ca** or scan the QR code to the right with your smart phone.
