

**SPIRIT  
TRAIL**

### **The Story of the Spirit Trail's logo**

The Spirit Trail's logo, named **Shewalh Stelmexw** (Sha-woth Stol-molth) — Squamish for 'people's path' — is representative of the connections the trail creates between various communities and their natural surroundings. The simple hand-drawn strokes of the logo merge human traits with the distinctive outlines of a North Shore landscape in a style that references the stone carvings of our Native ancestors. The logo is a tribute to the collaborative efforts of the Squamish Nation, the City of North Vancouver, the District of North Vancouver, the District of West Vancouver and the North Shore Spirit of BC Committee.

## The North Shore Spirit Trail

The North Shore Spirit Trail is a collaboration between the City of North Vancouver, the Squamish Nation, North Shore municipalities, the provincial and federal governments and other organizations. Envisioned as a waterfront-oriented, multi-use and fully accessible greenway, the North Shore Spirit Trail will provide pedestrians, cyclists, inline skaters and people with wheeled mobility aids access across the North Shore, from Horseshoe Bay to Deep Cove.

Extensive community consultation occurred throughout 2007 and in July 2008 the City of North Vancouver Spirit Trail alignment and conceptual design was endorsed by City Council.

An implementation plan has been developed and the City's portion of the Spirit Trail is anticipated to be completed by 2016.

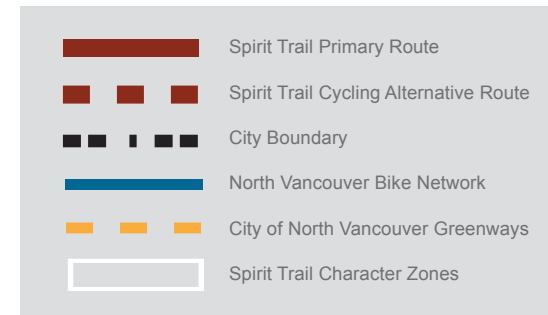

### Key features & guiding principles of the City's Spirit Trail:

- Waterfront oriented
- Ecological corridor
- Unique identity
- Accessible to all
- Forms a linear park
- Separate from traffic

## The North Shore Spirit Trail Map

*The City's portion of the Spirit Trail is 6.5 km long. Based on different character zones, it has been divided into 17 sections for implementation. Public consultation will occur during the detailed design phase for each section.*

## Anticipated Implementation Timeline
