ADOPTION OF MINUTES

APPEAL APPLICATION

3. **Egor Revenko, Applicant**
2720 Jones Avenue, North Vancouver, BC

The applicant is requesting variances to the City's "Zoning Bylaw, 1995, No. 6700", Part 9: "Parking and Access Regulations":

- Section 907(2)(a) "Parking Location" to be varied to allow two, tandem, off-street parking stalls behind the front face of the Principal Building.

The appeal, if approved, would permit the two required parking spaces to be provided as tandem spaces. The Zoning Bylaw requires parking to be provided behind the front face of the building and accessible from the lane (as opposed to a street), and the appeal would allow the parking spaces to be provided in a tandem configuration.
