

COUNCIL'S VISION & PRIORITIES

The Healthiest Small City in the World

A CITY FOR PEOPLE

An equitable, accessible and healthy community that is inclusive, welcoming and safe.

A VIBRANT CITY

Dynamic public spaces and places that provide for connection and celebration of residents' culture and history.

A CONNECTED CITY

Active and sustainable ways for people and goods to move safely and efficiently.

A RESILIENT CITY

Leads the way in climate action and is a steward of the environment for future generations.

A PROSPEROUS CITY

A diverse economy where new and existing businesses can grow and thrive.
