WORKS PERMIT CONDITIONS

1. Shall at all times accept full responsibility for any accident that may occur, or damage that may be done to any person or property whatsoever, caused directly or indirectly by the use and occupation of the Works Area and shall save harmless and keep indemnified the Corporation of the City of North Vancouver from all claims and demands whatsoever in respect of such use and occupation. All works undertaken within the Works Area shall be acceptable to the City Engineer.
2. Shall repair any damage to as per MMCD standards and remove all excess material and debris from the Works Area prior to the expiration of the permit.
3. Shall provide a minimum of seven (7) business days' notice or to the Engineer's discretion prior to the commencement of the permit.
4. Shall submit a traffic management plan for approval prior to issuance of a Street Use Permit when deemed necessary by the City Engineer. The traffic management plan must be prepared in accordance with City guidelines. The Street Use Permit will not be issued until the traffic management plan is prepared to the satisfaction of the City Engineer.
5. Shall be responsible for care and control of any surface water runoff.
6. Shall keep City boulevards and sidewalks adjacent to the Works Area, safe and in a clean condition during construction. City streets and lanes adjacent to the Works Area must be kept clear of all materials, mud, and debris during construction. In the event that the surrounding streets become dirty as a result of construction, the City will clean the streets and invoice the applicant at cost, if the applicant fails to do so immediately upon request.
7. Shall provide a valid copy of evidence of comprehensive general liability, including contractual liability and not-owned auto liability insurance in the amount of \$5,000,000.00. The Policy must name the City as an additional insured insofar as the City's legal liability arises out of the operations of the insured. The Policy is in full force and effect and shall not be cancelled, terminated materially altered or allowed to expire unless 30 days prior written notice has been given to the City.
8. Shall keep the Works Area tightly sealed off to pedestrian and vehicular traffic and shall use the Works Area in accordance with the provisions of all City bylaws and only for the purposes set out above.
9. Shall contact the following to inform them of the works in public realm:

▪ RCMP 604-985-1311	▪ Ambulance 604-872-5151
▪ Coast Mountain Company (if on a bus route) 604-988-4105	▪ Fire & Rescue 604-980-5021
▪ City Operations 604-987-7155	

10. Shall deposit with the City a letter of credit or certified cheque in the amount of \$_____ which may be used by the City for costs incurred by the City, including legal and administrative costs, arising directly or indirectly out of a breach of the permit or the repair or replacement of City parks, streets and facilities. (If applicable). Deposit will be returned upon proof of satisfactory restoration and compliance with permit conditions.
11. Applicant must renew permit prior to expiration to avoid additional signage fees.
12. Applicant declares that by applying for this Works Area Permit they acknowledge that this permit does not constitute City approval to undertake any works on private property. Applicants are advised to obtain any necessary permits for proposed works from the City and obtain any required approvals from property owners, as necessary.
