Re 2008 Westview Drive - DVIS Meeting in Power Point- November 30, 2021 6 -8 pm

I had 8 people from 10 registered attendees, two neighbours and 6 from the neighborhood.

The neighbour (Clare and Robert) on north does not support any kind of development due to blocking their view, additional density, construction noise... and the neighbour cross the street (Ken) is strongly in favor of the development.

A Westview residence (Karen) does not support the development. She is concerned about the removal of existing trees despite of proposed replacement trees. Other five attendees were in support of the development as the supported affordability and density.

The biggest concerns are parking garage and tree.

I had knocked on doors and spoken to as many people as possible in the neighborhood and in general they are happy with the development.
