HARBOURSIDE

Kings Mill Walk to Bbewicke Avenue

How many ships can you count?

Can you spot any seals near the marina?

How can you tell that beavers live here?

How many dogs can you count?

Can you find the bird houses way up high?

Visit Bewicke Park Habitat Jetty at high and low tide. What's the difference?

It's scavenger hunt time! See, find and/or count to discover the answer to the questions. We've split the City into three areas along the Spirit Trail: Harbourside, Foot of Lonsdale and Moodyville.

FOOT OF LONSDALE

Lower Lonsdale and Waterfront Park to The Shipyards

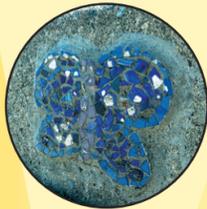

Can you find the Japanese Garden?

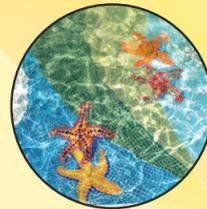

How many beams does the Cathedral have?

Can you spot the butterfly on the seawall? What else can you find?

How many black pipes tell the story of the sea?

How many bright and beautiful sea creatures can you spot?

Can you locate this Living Lane in the City?

How many flags are on the Pier?

What can you see through the binoculars?

MOODYVILLE

Moodyville Park to St Andrews Avenue

Can you find the bridge that wobbles?

Can you spot an eagle's nest perched up high?

Can you count how many crows are etched in stone?

How many silos are at the Grain Terminal?

Can you count the number of steps in the Ravine?

Look up high, how many different shapes can you find?

This map is an invitation to children and families to explore the City by foot, bike or bus. There are puzzles to solve, things to spot and count, and new places to discover. Where will you go today? We hope you'll have fun. We would like to hear from you - tell us what you love at ILoveMyCity@cnv.org.
