## **PUBLIC INPUT PERIOD**

The Public Input Period is addressed in sections 12.20 to 12.28 of “Council Procedure Bylaw, 2015, No. 8500.”

The time allotted for each speaker addressing Council during the Public Input Period is 2 minutes, with the number of speakers set at 5 persons. Speakers’ comments will be audio recorded, as well as live-streamed on the City’s website, and will form part of the public record.

As City Hall remains closed to the public, the Regular Council Meetings will be held electronically via “WebEx”. To speak during the Public Input Period of a Regular Council Meeting, pre-registration is required by completing an online form at [cnv.org/PublicInputPeriod](http://cnv.org/PublicInputPeriod). Persons can also pre-register by phoning 604-990-4230 and providing contact information. **All pre-registration must be submitted no later than 12:00 noon on the day of the meeting.**

Once you have pre-registered, you will receive login/call-in instructions via email/phone.

At the meeting, speakers will be asked to state their name and address for the record. If speakers have written materials to accompany their presentation, these materials must be emailed to the City Clerk at [clerks@cnv.org](mailto:clerks@cnv.org) no later than 12:00 noon on the day of the meeting.

The Public Input Period provides an opportunity for comment only and places the speaker’s concern on record, without the expectation of a response from Council.

Speakers must comply with the General Rules of Conduct set out in section 5.1 of “Council Procedure Bylaw, 2015, No. 8500” and may not speak with respect to items as listed in section 12.25(2).

Speakers are requested not to address matters that refer to items from a concluded Public Hearing/Public Meeting or to Public Hearings, Public Meetings and Committee meetings when those matters are scheduled on the same evening’s agenda, as an opportunity for public input is provided when the particular item comes forward for discussion.

8. Non-Criminal and Wellness-Based Response Program  
– File: 10-5080-01-0001/2020

Submitted by Councillor McIlroy

**RECOMMENDATION:**

WHEREAS the City of North Vancouver is committed to the health and well-being of all community members and the social supports required to increase the health and happiness of the community as a whole;

WHEREAS the City of North Vancouver is undergoing a community well-being strategy, forming a North Shore working group to address homelessness and reviewing the social services provided by community partners;

WHEREAS evidence continues to show that traditional methods of responding to non-criminal issues of community and individual crisis are not necessarily reducing harm and, in some cases, result in increased harm;

AND WHEREAS the North Vancouver RCMP is increasingly the first service response in cases of social and health crisis;

THEREFORE BE IT RESOLVED that staff be directed to investigate and report back to Council with recommendations for a non-criminal and wellness-based response program that includes partnerships with the Vancouver Coastal Health Authority, the North Vancouver RCMP and other social service providers;

AND THAT the focus of this program be to avoid unnecessary escalation and harm, address cultural appropriateness and respond to people's needs with compassion and care.
