City of North Vancouver PARKS & GREENWAYS DONATION PROGRAM

City staff are available to assist you with any questions regarding the type or style of park amenity available for donation. To request an application form or to view related Bylaw information please contact the Engineering Parks and Environment Department at 604-983-7333 or eng@cnv.org.

A truly unique gift

Commemorate a special event, family member or friend by giving a unique gift that allows you to express your thoughts and sentiments while contributing to the community. The City's Parks & Greenways Donation Program offers a variety of park furnishings for donation throughout the City's beautiful parks and open spaces.

Park benches, chairs, trees, drinking fountains, interpretive kiosks and other appealing amenities can be set in a variety of park settings. For complete details or to request an application form please refer to the contact information on the back of this brochure.

TREES

Carefully selected street trees are planted in various locations throughout the city. Oaks, maples, ashes and flowering magnolias provide shade and scenery for park visitors and habitat for various songbirds.

A commemorative certificate suitable for framing, with the option for a personal message, allows donors to individualize their contribution.

FURNITURE

Benches and chairs have been placed in key locations throughout many of our city parks. A bench or chair will allow park visitors to stop, relax and enjoy the views and beautiful surroundings.

A bronze commemorative plaque, located prominently on the backrest of the bench or chair, allows donors to individualize their contribution.

OTHER AMENITIES

Drinking Fountains – Fountain donations are a possibility for several key locations, usually associated with small plazas, benches, bike racks and other landscape improvements.

Interpretive Kiosks – Located at key points in city parks, kiosks provide wayfinding and information about the environment and the local neighbourhood.

Dog Pick-up Bag Recycling Dispensers – Attractive and functional steel dispenser recycle shopping bags for dog pick-up and are attached to dog regulations signposts.

A commemorative plaque located on or adjacent to the items listed above, allows donors to individualize their contribution.
