Applicant	Purpose of Grant	Recommended
Capilano Community Services	Sexual Health - A committee comprised of high school youth from a variety of schools will be gathering to begin the planning of an informative and fun project on youth sexual health, relationship and LGBTQ issues. This project will involve workshops, interactive and non-interactive theatre, access to resources and a web series. The grant would be used for training, guest speaker appreciation, mileage, promotional materials, performance items, food and handout.	\$1,500
Digital Media Academy: NVSD44	FortyFour Magazine - This is a youth to youth art and culture magazine that was in existence for 4 years and has not been restarted by the youth in the Digital Media Academy. The quality and content of this magazine is of a high level and exceeds the expectations of most adults. It is being developed as an online entity with a single print publication a year.	\$2,000
Mountainside Secondary School	Outdoor Learning Immersion - Mountainside currently offers this as an elective. This program is intended to cultivate within students a greater appreciation for the health of their physical environment and the health of their bodies. The grant is requested to expand the objectives by introducing students to traditional First Nation's knowledge about fire making, shelter building, natural medicines, local edibles, weaving and carving. Requested funds would be used to pay Delmar Williams of the Squamish Nation to facilitate and provide the requisite materials for the 3 day wilderness learning experience.	\$850
North Shore Community Resources	Family Play Date - The proposed project is a Family Play Date in St. Andrews or Mahon Park in June 2014. This will be a one day, four hour event on a Saturday morning in late June, designed to engage children from 3-12 years old in cooperative games, skill development, scavenger hunts, water play, construction, and other child-initiated, outdoor activities. Parents & caregivers will be encouraged to participate in these activities both to learn about good ways to join children in play and to inform them about the kinds of unstructured, natural play activities that foster positive physical, social and emotional outcomes.	\$2,000
North Shore Crisis Services Society	Adolescent and Children's Empowerment Camp - Each year a series of summer day camps are offered for at risk North Shore children and youth. This year's program will consist of two, one-week day camps organized and facilitated by our Children Who Witness Abuse counsellors. Ten children attend each week. The camp is for children and youth using NSCSS's services who face challenges at home and who might otherwise not be able to afford organized summer activities. The camp is free of charge for participants and includes breakfast & lunch, transportation, admissions to activities and all supplies.	\$2,000
North Shore Women's Centre	Girls Empowerment Camp - This program provides a specific group opportunity for girls who may be struggling with low self-esteem, eating disorders, abuse in the family, in peer groups or in intimate relationships, self-harm or other stressors. This program is offered free of	\$2,000

	charge so that income is not a barrier for participation to anyone. This way, it reaches families and girls who might not otherwise have the opportunity to participate in a summer activity program. Breakfast & lunch are provided in addition to transit tickets for group excursions.	
North Vancouver City Library	Reading Link Challenge - This program is for grades 4 & 5 to encourage reading for fun. It gets kids engaged with reading great literature they might not otherwise be exposed to. The program was started to create a fun link between schools and local libraries and to promote reading for pleasure, but also in response to research that shows children's reading often drops off in Grade 4. The program includes fun "challenges" where teams of 6 test their knowledge of trivia from a set of 6 junior books chosen each year by Teachers and Librarians.	\$1,500
North Vancouver Community Arts Council	Rhythm & Word Music Therapy Programme for At-Risk Youth - This is a creative self-expression programme for at-risk youth living in North Vancouver. It utilizes music to promote the well-being of marginalized youth, offering a valuable social service through an art form easily embraced by young people. Programme participants develop and improve fundamental social skills required to function effectively within the community such as listening, communication, collaboration, cooperation, teamwork, leadership, anger management, trust, respect and positive self-expression.	\$2,500
Queen Mary Community School	Grade 7 Leadership Retreat - This is a one day retreat for the Grade 7 students of Queen Mary Elementary. The retreat will take place in June 2014 and will involve the students in a variety of activities to support team building, exploration, a variety of travel experiences, confidence, and the spirit of the North Vancouver City youth community as well as student self-esteem. It will also provide an opportunity to celebrate the completion of elementary school in a unique, education and productive way. The grant would help to offset the costs of approx. \$114 per student.	\$1,650
Sutherland Choices Program	3 Day Garibaldi Hike - The intention of the Choices program is to support students with social, emotional and/or behavioral issues. They are still part of the school community while having the opportunity to connect with teachers, support workers and counsellors who are able to adapt their program without having to exit them to an alternate program. Within the mandate of the Choices program, the Choices staff is hoping to involve students in a three day hiking trip to Garibaldi Provincial Park.	\$1,500
Sutherland Secondary School	Sutherland Schoolyard Market Garden - The grant would assist in the initial start-up of the garden which will be located on the north-west lawn at Sutherland Secondary. It will be approximately 1/3 acre of cultivation of marketable vegetables, plus a community teaching space, amphitheatre and perennial plantings to surround and protect the garden. Monies would be put towards building the amphitheatre which will have classroom area as well as permanent, indestructible seating. The finished amphitheatre will encourage entire classes and community groups to use the space.	\$2,000

This project has produced several workshops already and moving forward will involve more workshops, access to resources and a possible web series.	\$500
Capilano Community Services Society	Survival Skills for the Classroom and Beyond - This is an 8-10 day trip to the Stein Valley held in the summer. This course is designed to engage the social/emotional learning experience for youth (specifically at-risk youth) in North Vancouver. The preparation components include: planning, skill acquisition, performance monitoring, health and fitness levels. Youth in this course will explore the theme of survival, deconstructing survival stories while constructing a survival plan on a multi-day wilderness traverse.	\$2,500
Family Services of the North Shore	Get Help Now (Video and Outreach) - Youth Leadership Advisory Board (Youth LAB) is a group of volunteer youth 10 outstanding youth from North Shore Secondary Schools that comment and advise on youth mental health issues. Each year there is a different cohort. Since the start of Youth LAB in 2012, the youth volunteers have produced an initial video, delivered presentations, created a print-based, positive messaging campaign for 7 schools and assisted FSNS in reducing the stigma and barriers that prevent youth from accessing mental health services on the North Shore. The third cohort of Youth LAB members are planning to script and film an outreach video called "Get Help Now" which will be directed at youth aged 12 - 16.	\$3,000
Mountainside Secondary School	School Naming Ceremony / First Nations Day - This student wishes to compliment the school's naming ceremony with a cultural First Nations Day and Celebration for the school and community. Students will have the opportunity to participate in drawing, dreamcatcher making, medicine bag making, stories & dance of cultural history, bones games, food (bannock, smoked salmon, Indian tacos). Local community members as well as the Chief & Council will be invited.	\$300
Mountainside Secondary School	Yoga at Mountainside - Professional yoga classes would be offered to students 3 times/week in addition to developing a daily meditation practice. The students are from North Van's at-risk population with challenges ranging from mental health concerns to learning challenges to social/emotional challenges. The physical and mental benefits of yoga are proven and the hope is that students will be guided towards mental wellness, spiritual connection and a supportive community.	\$2,500
North Shore Crisis Services Society	Camp Sweet Summer - The Adolescent and Children's Empowerment program offers a series of summer day camps for at-risk NS children and youth. The program will consist of two, three-day camps which are organized and facilitated by Children Who Witness Abuse counsellors. Ten	\$2,000

	children will attend each week. The camp is for those who face challenges at home, and who might otherwise not be able to afford summer activities. The Camp is free of charge for participants and includes breakfast, lunch, transportation, admissions to activities (swimming) and all supplies. Focus is on healthy social interactions and relationships.	
North Shore Women's Centre	Girls Empowerment Camp - Provides a forum for teen girls from across the NS to come together to explore current issues affecting them in a respectful, supportive and fun environment through the guidance of an experienced facilitator. Over the week, the group engages in a variety of interesting and lively activities from discussion to music, excursions to drama, and visual art to movement. The goal of the program is to support teen girls to access their individual and collective strengths in order to empower themselves and to help create social change.	\$1,700
North Vancouver Community Arts Council	Rhythm & Word Music Therapy Programme - This is a creative self-expression programme for at risk youth living in NV. It has been active since 2002 benefiting hundreds of disadvantaged youth over the years. It utilizes music to promote the well-being of marginalized youth, offering a valuable social service through an art form. Participants develop and improve fundamental social skills require to function effectively within our community.	\$2,500
North Shore Neighbourhood House	North Shore Queer and Trans* Open Social - A one time, four hour social at NS Neighbourhood House for Queer and Trans Youth. It will take place in the summertime and will include music, decorations and a free bbq. The event will be open to all community members although focused on youth. Information will be provided about Queer and Trans Youth in NV and allow youth and community members to connect. A one hour forum will be held to get feedback from participating youth on how they would like to engage the NV community.	\$500

2016 – Spring Intake

Applicant	Purpose of Grant	Recommended
Capilano Community Services Society	Explore the Northshore and Beyond - This initiative would provide recreational and educational outings during the summer for underprivileged/at-risk youth. The events will engage youth in community activities and offer youth venues to get connected and familiar with the many resources available in the CNV. The program would provide fun and enjoyable activities to these youth in the hopes that they build healthy and positive relationships with their community, peers and youth workers.	\$1,000
Capilano Community Services Society	Youth Wilderness Training - The Stein Valley Youth Trip happened last summer with the help of a CNV grant. Now applying for \$500 to allow for a week of preparation time for a pre-hike. The specific skills the youth will learn are orientation, first aid, route finding, reading weather, specific equipment uses and team building exercises. Capilano Community Services will partner with the Choices teacher, Keith Gallant. Education and Grouse Mountain Hiking will be included in this week of preparation time also provided by Mr. Gallant.	\$500
Capilano Elementary Parent Advisory Group	Self-Regulation Tools for Learning Success at School - This is a collaboration between the Capilano Elementary and Queen Mary Elementary School Parent Advisory Committees. Studies show that movement and fidgeting help us to focus, think and self-regulate. For kids, movement and fidgeting can play an important role in stimulating the learning process and feeling calm and content. Grant funds would be used to purchase tools that support self-regulation through movement and sensory processing such as Hokki wobble stools, wiggle cushions, kick-bands for chair and desk legs and noise cancelling headphones.	\$1,500
Carson Graham Secondary School	Carson Secondary Community Building - The goal of this program is to provide students in grades 10 & 11 with a diverse range of SES, cultural background and world experience an opportunity to build community, positive relationships, healthy lifestyle and youth engagement. The program will entail after school sessions which will include a "workout"; yoga and then a discussion. This will be a safe environment where students will learn to work together to build a community of learners that respects the various backgrounds of the students at Carson and the community surrounding the school as well as learn the skills to become leaders.	\$1,600
Family Services of the North Shore	TransYouth on the North Shore: Critical Support for Youth, Parents and Families -, Family Services initiated agency wide training on gender identity and life span development and are now facilitating focus groups for children/youth and parents to explore specific needs. The next step will be to provide support groups and counselling for trans children/youth and parents in the fall of 2016. The results will benefit both children and parents. The trans positive messages developed and implemented will create a more positive environment within schools, workplaces and other public spaces on	\$1,500

	the North Shore. Grant funds would be used to help fund the support groups and counselling sessions for trans children/youth and their parents as well as a portion of wages and benefits for clinical counsellors to participate in specialized training.	
Mountainside Secondary School	Art Therapy - Art therapy sessions for students at Mountainside Secondary. These sessions offer a space for students to create and express themselves through art. Students are invited to attend and make spontaneous art, bring art projects they are currently working on or the art therapist may provide art therapy directives. Art therapy can be very beneficial for students who feel isolate, have mental health and/or addiction issues, struggle with relationships with family / guardians, friends or classmates.	\$1,500
Mountainside Secondary School	Wellness - A non-competitive P.E. class aimed at students who do not or cannot participate in conventional sports programs. Funds would be used to allow students to participate in activities such as yoga, self-defense, snowshoeing, biking, swimming, rock climbing, first aid, basic nutrition, hiking, skating, golfing (driving range) and other low stress activities. Many of these students have never been involved in sports due to unsupportive family situations, learning challenges or other social obstacles. In "Wellness", students will have decreased anxiety levels and increased attendance and a more likelihood of graduation (as P.E. 10 is required for a Dogwood certificate).	\$1,500
North Shore Crisis Services Society	Camp Sweet Summer - The program will consist of two 3-day camps organized and facilitated by the Children Who Witness Abuse counsellors and a counsellor from Evergreen. Up to 12 children attend each week. The camp is for children and youth who face challenges at home and who might otherwise not be able to afford organized summer activities. Camp is free of charge for participants and includes breakfast and lunch, transportation, admissions to activities and all supplies. Activities will include swimming, raft building, park & raven exploration and focuses on healthy social interactions and relationships.	\$2,000
Sutherland Secondary School: Global Perspectives	Blissful Bods - The goal of this project is to promote body positivity for women and girls in North Vancouver. Most women hate something about their bodies. Women need an outlet to help them improve their self-esteem. It is possible to use media to rebuild the way that women and girls see themselves. The intended use for the grant would be to print posters with a graphic design created by students that promotes body positivity. The posters would be put up around the school to remind girls that their bodies are perfect just the way they are. A student filmmaker will also be requested to make a short video that promotes the fact that all bodies are beautiful. The video would be shown in the Social Justice class and online as well.	\$350
Sutherland Secondary School: Global Perspectives	Equipment 4 Kids - This is a project to give underprivileged kids a chance to play sports and acquire equipment. Donation spots would be set up around the City where people can donate their used sports equipment to give to these kids. Posters would be created and an equipment drive done at the school. Once a large amount of	\$100

	equipment was collected, a one day event would be held where kids could come out and get equipment and learn to play sports.	
Sutherland Secondary School: Global Perspectives	Girls 4 Women - The goal of this project is to provide hygiene kits to women in need at the North Shore Women's Centre. Donations of shampoo, deodorant, body wash, toothbrushes, etc. will be collected and taken to the shelter for women who are escaping abusive situations. Throughout the course of this project, awareness will be spread about the struggles of women escaping abusive situations as well as the resources available to them.	\$250
Sutherland Secondary School: Global Perspectives	Hive Helpers - The goal of this project is to raise awareness and money for bees and to help put an end to them dying globally at an alarming rate. It is estimated that around 33% of the world's food source is pollinated by bees. If the bees died it would cause a huge reduction of food and a huge increase in poverty. The best way to tackle this issue is to raise awareness. The money raised could be donated to companies saving bees. The main purpose of this project is to make beehives for the bees and plant bee friendly plants around them. Funds would be used for wood and other materials required to make beehives and to buy the plants. These would both be placed in Sutherland's garden and other local gardens.	\$500
TOTAL		\$12,300

2016 – Fall Intake

Applicant	Purpose of Grant	Recommended
Artists for Kids	Youth Assistant Primer Workshop - Funds are requested to provide training in workshops for high-school aged students interested in positions working with youth in the community as camp aids, counsellors, art assistants or any role working with young people. The training will enhance the students' ability to manage and share skills with those younger than themselves. These workshops will be offered in the winter, spring and fall.	\$1,000
Carson Graham Community Initiatives Youth Initiated: Neil Chowdhury	Community Lunch - The Community Initiatives and Leadership class at Carson Graham Secondary is aiming to provide people who may not otherwise have the opportunity to enjoy a restaurant experience at the affordable cost of nothing. This grant would allow them to expand the initiative to impact more people as well as make it more desirable and provide more variety of food options.	\$500
Cerebral Palsy Association of British Columbia	Peer Support for Youth with Disabilities in North Vancouver - Funding is being requested for a special series of the Association's Youth Without Limits Support Group to take place on the North Shore. The group is for youth & young adults with cerebral palsy and other disabilities between the ages of 18 - 21. The special series would be a four-part session on the subject of self-esteem for youth with disabilities, facilitated by youth and including information sharing, facilitated discussion and opportunities to learn strategies and develop self-esteem. Group sessions would take place once a month for one	\$1,500

	year. The goal of the program is to provide peer-led support during a critical life transition to assist those with disabilities to realize their place as equals in society and experience greater quality of life.	
Life Ready Foundation	Life Ready Strength, Conditioning and Mentoring Program - This program provides strength and conditioning programs and mentoring workshops for at-risk youth in the City of North Vancouver. The programming provides a solid foundation and structure that will assist youth with dealing with life, physical, emotional, mental and environmental challenges such as poverty and exclusion and prevents or resolves problems like bullying and self-esteem. Students come from the NVSD, various sports organizations and the Ministry of Family Services. The youth that participate are referred through a credible individual (teacher, police officer, principal, counsellor). The program consists of building self-confidence and a sense of belonging for each youth through physical fitness and positive environment. Each youth will be provided with a workbook binder where they will be able to keep track of their goals, log their training sessions and nutritional information.	\$1,500
Mountainside Secondary School	Career Exploration for At-Risk Female Youth - The current programs for career exploration at Mountainside are largely trades based and geared towards males. This proposal would develop a career exploration program based on the interests of female students. After consulting this demographic, nail care, beauty and makeup, animal care and farrier/blacksmith training have been chosen. Programs will be open to students of any gender but the hope is that these additional opportunities will engage a largely underserved group of students.	\$2,500
Mountainside Secondary School	Savary Island Wellness Trip - This is an extension of the Savary Island Fine Arts Trip, which has been funded by this grant in the past. It will be a 4-day trip where students travel to Savary Island, BC with staff from Mountainside, supported by Martin Place at his home and art studio there. Rather than focusing on developing art skills, this trip will focus on developing long-term wellness skills through self-esteem building, self-worth and self-efficacy, challenging the inner critic through mindfulness activities such as yoga, art therapy, drumming and experiencing nature. The purpose of the trip is to create individualized long-term wellness strategies for each student participating.	\$200
North Shore Alliance Church	Way Past Curfew - This is a North Shore get together for high school youth. It is an all-nighter held at North Shore Alliance Church. Other youth groups from Youth Unlimited, Young Life and Keats Camps, partner together to run a fun all-nighter packed with different events such as a photobooth, human bowling, arcade games, video games, a dance party, board games, soccer tournament, concession, dodgeball tournament, hockey, broomball, 2 movies on a big screen, a spa, ping pong, foosball and a main session where everyone gathers that includes improv, a motivational speaker and live music.	\$500

	<p>disrepair. The students of the graduating grade 7 class (2017) have borne the idea of repairing this clock as their legacy to Ridgeway and the surrounding neighbourhood. The clock tower can be seen for many blocks surrounding the school. Ridgeway was renovated extensively during 2009 - 2011 and was reopened in time for its 100th birthday celebration. Unfortunately, clock repair was not in the budget at that time. Grant funds would be used for partially funding the clock motor replacement, estimated to cost between \$1,500 & \$2,000. The students would raise the remainder of the funds needed over the remaining 6 months of the school year.</p>

Applicant	Purpose of Grant	Recommended
Artists for Kids	Youth Assistant Primer Workshop – To provide workshop training for high school aged students interested in working with youth in the community as camp aids, counsellors, art assistants, etc. To work effectively with young kids, students need to learn fundamental skills to set them up for success with the perspective & understanding of their role and requirements. Program will be offered in the winter, spring and fall of 2018 to allow students to be prepared to apply for programs beginning the following term. The workshops run once a week for 4 weeks.	\$2,000
Canadian Mental Health Association – North and West Vancouver Branch	Steps 2.0 - Steps is a recreation based group for North Shore youth experiencing challenges with their mental health such as anxiety and depression. Each week, there is an activity in the community such as hiking , kayaking, etc. Youth who have participated in Steps find up to 50% reduction in their symptoms.	\$3,000
Family Services of the North Shore	“Be Yourself” Gender Diversity Support Program - A weekly drop-in group for gender diverse youth was created in partnership with North Shore Neighbourhood House in April 2017. The purpose of this group is to provide belonging and connection to high risk LGBTQ2S youth in the City of North Vancouver in a non-judgmental, safe, open, creative and supportive space. The youth learn skills and information about self advocacy, peer support, internet safety, suicide and much more, enabling them to live fuller & more productive lives.	\$3,000
Mountainside Secondary School	Wellness - Mountainside created this program several years ago; it is non-competitive PE class aimed at kids who have trouble participating in a conventional PE class or other sports programs. The grant would be used to allow students to participate in some or all activities such as: yoga, self-defense, fitness classes, snow shoeing, biking, swimming, rock climbing, first aid, basic nutrition, hiking, skating, golfing and other low stress activities.	\$2,000
North Shore Crisis Services Society	Branching Out – Outdoor Camp - NSCSS's ACE program (Adolescent and Child Empowerment) offers a series of summer day camps for at risk North Shore children and youth. The 2018 program will consist of two, 3-day camps which are organized and run by "Children Who Witness Abuse" counsellors and a counsellor from Evergreen (a Vancouver non-profit whose focus is sustainability). The camp is for young people who face challenges at home and who may be otherwise not be able to afford organized summer activities. Camp is free and includes breakfast, lunch, snacks, transportation, admissions to all events and all supplies. The primary focus is on healthy social interactions and building relationships.	\$1,500
RC Life Skills Network Inc.	Windsor Dukes Boys Club - This is a partnership between RC Life Skills Network, Griffins Boxing and GameReady Fitness to work with North Vancouver school district's Choices program. It will help students maintain a healthy & active lifestyle and work on a healthy mental state of mind through exercise. The program will run in certain school blocks for the months of	\$1,727

	October, November & December. The session will include 1 hour at Griffins & 1 hour at GameReady; 10 students per session is the maximum. Participants will be from Argyle, Carson Graham, Handsworth, Mountainside, Seycove, Sutherland and Windsor high schools.	
Sutherland Secondary Mosaic Club & Student Leadership	Just Us: An Evening for Girls & Women - On 2 separate evenings, an evening is spent celebrating and experiencing the bonds between girls and the women in their lives. The goal is to encourage young women to participate in multicultural workshops, talks, activities and food, shared with a mom, aunt, grandmother, friend or other special woman. International dance instruction, yoga practice, wellness, nutrition, First Nations wisdom, aromatherapy, skin care and work/life balance will be explored in a series of rotating sessions in addition to an opening multicultural vegetarian dinner.	\$1,500
Queen Mary Elementary School	Youth Empowerment and Self-Advocacy: iGirl & iGuy - These workshops are facilitated by trained presenters geared to prepare 9 - 12 year olds for their teen years. The workshops provide them with tools to make smart decisions and to successfully navigate the changes ahead. They tackle topics such as puberty, safety on the internet, healthy body image and assertiveness.	\$773
West Coast Boys Club Network Foundation	Boys Club Network Club - The Boys Club Network identifies and lifts up boys and young men that are struggling but often overlooked. This application will support Boys Club Network Chapters at Sutherland Secondary School, Carson Graham Secondary School and Argyle Secondary School. Each weekly meeting is begun with food; for some of the boys it is their only meal of the day. This can be followed by a guest speaker or a joint meeting with another club. Typically there are 40-60 boys attending, at times attendance has reached 100.	\$3,000
Westview Elementary School	Aboriginal Drumming - In November the whole school will be engaged in drumming workshops with Rhythm Resource; 2 weeks will focus on African drums and 2 weeks on Cajon drums. In January, the drumming project will be Uzume Taiko Drumming. Both of these will lead into further First Nations drumming projects where students will build drums and explore Aboriginal culture through interactive drumming workshops with local elders.	\$2,000
